

## SHERIFFS INTRODUCTORY COURSE (SIC) 2019

The Sheriffs Act empowers the South African Board for Sheriffs (**SABFS**) to achieve the maintenance of the esteem of, the enhancement of the status of, and the improvement of the standard of training of and functions performed by, sheriffs; and the development and implementation of appropriate measures, including support programmes for purposes of issuing fidelity fund certificates to sheriffs who have the potential to establish and operate an office of a sheriff successfully.

In pursuit of this, the SABFS has developed an induction programme for recently appointed Sheriffs and regards the Sheriffs Introductory Course (SIC) as a foundational requirement for all serving Sheriffs. The SABFS further regards successful completion of the course as a pre-requisite for issuing a Fidelity Fund Certificate. However, it should be noted that successful completion of the SIC **does not** imply that candidates will automatically be appointed to a Sheriff's office.

***Please note that the SIC consists of a compulsory two week classroom session and one week mentorship in a Sheriff's office. The three week compulsory attendance will be implemented consecutively, therefore Sheriffs may require that staff take three weeks leave. Each learner must complete the assessment process which includes the compilation of a Portfolio of Evidence (POE).***

The SABFS will be hosting the SIC 2019 for newly appointed sheriffs in mid-June 2019 and would like to invite all interested parties from the Sheriffing Profession to participate in the SIC. Application forms are available from our website at [www.sheriffs.org.za](http://www.sheriffs.org.za) or you may contact Lucinda Delpont at [lucinda@sheriffs.org.za](mailto:lucinda@sheriffs.org.za)

Completed applications must be submitted to [lucinda@sheriffs.org.za](mailto:lucinda@sheriffs.org.za) or faxed to 021-426 2598 by no later than 07 June 2019.

Please note that we have limited space available, therefore it is advisable that you submit your application early. All applications will be considered, however, limited funding will dictate the number of candidates to be shortlisted.

***We have earmarked Pretoria as the preferred city for training to take place. Please note that your travel and accommodation costs are for your own account. The SABFS will pay for the training, assessments, training venues and refreshments during the classroom sessions.***

NOTE: The Sheriff must sign below to verify that agreement has been reached with the employee to participate in the SIC training programme.
